HEAR Report from Superintendent

- Shared plan to return to in-person instruction in the hybrid model in the red tier on April 6 for pre-k through second graders, as well as grades 7, 9 and 12. On April 13, we will welcome back the rest of our grades.

- Shared last night at midnight, our Parent Selection Form process closed. This was our way of gauging whether families wanted their students to return to in-class instruction or continue with distance learning from home. I am pleased to say we heard from 58,276 of our students – 82 percent – who responded and shared their plans for April instruction and 39 percent who wish to remain in distance learning at home. We did not hear from 17 percent of our students.

- Shared as part of our safe return, we are piloting random surveillance COVID-19 testing at the Hoover High School parking lot through a partnership with United Health Center. Thank you to the hundreds of district employees who have already participated, please watch this video to see the process.

- Shared this has been the strangest of years for all of us, so there is no better feeling than when I can share great news about our students excelling, despite all that they have had to overcome in the past 12 months. Once again Sunnyside High School has multiple seniors named as Dell Scholars. This prestigious program awards $20,000 in scholarships, laptops and personal support to students who demonstrate a unique “GPA” of grit, potential, and ambition. Seven Sunnyside Wildcats have been named Dell Scholars. In addition, Sunnyside reports that 405 of 409 seniors who applied to Fresno State were accepted.

- Shared we received 244 applications for the Fresno Unified Scholarships, which are supported by our employees and the community. We will notify winners during the week following spring break.

UNSCHEDULED ORAL COMMUNICATIONS

For the record, the Board received twenty-two submissions of public comment for Unscheduled Oral Communications. They are as follows:

1. Kimi Smallen
Dear FUSD,
I am writing today to respectfully request our children’s return to fulltime in person learning. My kids as well as many other kids are suffering greatly. My 7th grade son, who has been an exceptional student throughout his entire school attendance, now has B’s and C’s. While this may seem average, it is certainly not normal for him. I have discussed with parents of at least 3 families whose children are not only doing worse academically, but also suffering with depression and loss of interest in school. All of which are abnormal for these children. School IS about learning, but as a community, we have discovered school is so much
more. It is a place for making friends and interpersonal connections that will be with them throughout their lives. Please know how passionately our local families feel about the insufficiencies of distance learning on both an academic level and emotional level and we will continue to push for in person, fulltime learning until this goal is achieved.
Respectfully,
The Smallen Family

2. Missy Tuck
Dear FUSD Board Members,
While I attended Roosevelt High School I have gotten involved in this unfair retirement of the Fresno High Warrior image because we’re afraid some individual will come forward and state the Rough riders name offends them and you’ll immediately vote to retire it as well.
How did you come to the insane conclusion that after 130 years as the Warriors it is now racist or offensive?
In my opinion it appears you, the petitioner and others hiding behind these fake groups you used are the actual racists here attempting to remove Native Americans and the images from the public's view.
How can you possibly ask the tax payers in your district to spend over $400k to remove a 130 year old image when you’ve failed terribly to check the petitioner, the supporters endorsements and even the actual members of Valley Native Americans for Change.
I assure you this complete lack of investigation will back fire on each one of you who rushed to judgment and failed to inspect any of the evidence you accepted in making your decision. It is falling apart on simple inspection so I assume it will be horrific for you when the attorney puts it under the microscope.
This movement is gaining momentum and may ultimately be your undoing. Many of my friends from Roosevelt are joining the fight and I’m aware other schools alumni are jumping onboard as well.
I would recommend you rescind your votes and hold a stakeholders referendum (250-word limit reached)

3. Ryan Griffith
Board Members & Dr. Nelson:
As you must be aware over 20 public comments from identifiable individuals were submitted to this board since Saturday March 6, 2021 to be read at the board meeting today. These public comments relate to keeping Fresno High School's
mascot. I anticipate far more letters and public comment to be received in the coming weeks.
I want to ensure these public comments are read and acknowledged at the Board Meeting tonight in compliance with the Brown Act. Therefore, I have attached a letter to ensure compliance with the Brown Act.
Thanks for your time and let me know if you have any questions. Ryan Griffith, Esq.

4. Josette Losurdo
Fresno Unified Board Members,
I believe the Native American image that has been Fresno High’s logo for over 130 years is an image of pride and that your vote was unfair, as you did not hear from both sides of the issue.
I attended Fresno High from fall of 1975 and graduated in 1978, I have siblings who attended from fall of 1962 through 1971, and we never thought the image was disrespectful.
Your decision needs to be reversed and the $400K to $1 million dollars of tax payer money should be spent on improving the test scores of the students in the Fresno Unified school district and to set up curriculum to teach the kids the history of the Native Americans.
The so-called “social justice” group and the teachers who teach it, need to teach acceptance and not hate. This group needs new leadership or disband from the school.

Dear Trustees,
I am writing to you in regards to your decision to remove our 131 year old tradition. The manner in which it was voted on was completely misleading and just plain wrong. I am a Warrior, a proud Fresno High School Warrior Alumni. Ever since I was a child I wanted to be a Warrior. I used to attend football games and see that Warrior image and think to myself, "I will honor that Warrior and wear it with pride

someday." And I did and still do today. I graduated from FHS in 1998 and while at FHS I was very involved with student government, played sports and was a cheerleader. I was completely consumed with Warrior Pride. Still to this day I am full of Warrior Pride. That image is more than just an image. That image is a symbol of courage, honor and strength. It is in no way racist or degrading.

As a former student, I feel that our voices have not been heard. Our comments and protest against the change was over looked completely. And to find out later it wasn’t even the Native Americans protesting and advocating for this change is disheartening. You are dishonoring our 131 year old tradition. FHS is known for our traditions. Traditions are what makes us who we are and you are trying to take that away from us.

I my opinion there are plenty of other things the district can focus on than this. Spending more than (250-word limit reached)

   To FUSD,
   I am a FHS Alumni class of 1978; for over 100 years the Warrior Mascot has been one of the Valley’s most identifiable Icon figures.
   To take it away will be like erasing history; please reconsider your stand.
   Thank you

7. Natasha Uhlik-Slebiss
   Dear Board Members and Dr Nelson;
   As a 1978 graduate of Fresno High School, I am very concerned with the topic of having the Fresno High School Mascot replaced/removed.
   The timing of this decision seems rather poor. As our country is struggling with a pandemic, an entity steps forward to take away a precious part of our history in hopes that it will go unnoticed. I noticed, as did many others.
   Shame on you the Board members who failed to hear the voices of all those who do not support the removal of the Fresno High Warrior mascot.
   I vote, I pay taxes, I live in Fresno County and I pay attention. Sincerely;
   Natasha Uhlik Slebiss, RDN

8. John Crawford
   Dear FUSD Trustee Board,
   My name is John Crawford. I am a Fresno High School Alumnus from the Class of 1989. My class was the 100th graduating class of FHS Warriors! We were/are VERY proud of that- so much so that the large FHS stone plaque at the entry to Fresno High School was our gift to the school and our posterity.
I, like tens/hundreds of thousands of other people in the past 132 years, have wandered the halls and grounds of Fresno High with great pride in the fact that I am a Fresno High School WARRIOR!

Being of part Native American descent, this was an even greater source of pride to me- I am also Scottish, and I feel a great source of joy in seeing the McLane Highlanders and their mascot!! You see, it's not derogatory or demeaning to celebrate our history by honoring the images, logos, and cultures of the people who helped weave the fabric of what has become the United States of America! You won't hear about people getting offended over a Scot in a kilt because it's celebrated in the Scottish people, much the same as the image of a great Native warrior is celebrated by those of us who are of Native blood.

Now we are being told that it doesn't matter what 131 years of tradition and values has reaped because YOU are hell-bent on destroying our history and legacy due to a TINY, EXTREMELY VOCAL individual(s) who is offended that we (250-word limit reached)

9. John Flores
My name is John Flores and I would like to begin first by thanking the Fresno Unified School District Board of Trustees for their attention to this matter. If I can give a little history about myself, I was born and raised in Fresno, attending Fresno schools, and graduating from Fresno High School in 1977. While at Fresno High, I was involved in the music department and served as drum major for the Fresno High Marching Warrior Band my senior year and also served as a member of the Fresno High Senate. I am a graduate of California State University, Fresno, and currently work as a Vice-President of Operations for an agricultural lending corporation in Fresno.

As you can see, Fresno is my life and has always been. With the exception of a couple of years in another state, it is where my wife and I have spent over 40 years together and where we raised our two daughters. In fact, my daughter served as the girls’ water polo coach at Fresno High a few seasons ago while in college at Fresno State. Fresno High takes on a special meaning to many of us who have attended there throughout the years. We take special pride to be part of an alumni group that has existed for over 130 years, having shared title of “alumnus” with many famous Fresno High graduates. Many of us continue to get together regularly and, in fact, a group meets every Saturday for coffee across the (250-word limit reached)

10. Dan Shay
Hi,

As a graduate of Fresno High School, I am shocked and appalled at the thought of removing the Native American Warrior image. What are you people thinking?
UNSCHEDULED ORAL COMMUNICATIONS - continued

Why are you wasting our tax dollars? I haven't met a Native American yet who has a problem with the image.
Our mascot is a part of history, not only personally but as part of Fresno's history as well. It is bad enough that they have been changing the written history, adding falsehoods and removing facts. My family has a history in California pre-dating California becoming a State. One of my grandmothers also attended Fresno High School and was a proud Warrior.
Please do not remove the Native American image. It pays respect to our own Native American's in this area.
Thank you for your time and dedication, Daniel A. Shay

11. Gary Nakagawa
Dear FUSD Trustees.
Please rescind your ridiculously, politically, and motivated racist decision to remove the FHS Warrior Image! Why after 131 years are you taking this position? Are you part of the "woke" and "cancel culture"? Because you are acting like it!
There are now 623 members in our FB group called: "SUPPORTERS FOR RETAINING THE FRESNO HIGH WARRIOR IMAGE". While there are some in our group that have not written to you, they would not have joined this group, if they did not believe in this cause. Do you have over 623 individuals wanting the removal of our dear Fresno High Warrior Image? We also have the backing and support of retaining this image by "NAGA" AKA Native American Guardian Association. You made this decision without listening to our side and it shows your bias and did this knowingly. Where is the fairness in this process of removal? Answer, there was no fairness period. For a bunch of educated Trustee's, you are acting like political hacks. Rescind this decision immediately!

12. Chris Alderson
Hello All,
I am writing to urge you to vote against removing the Warrior mascot from Fresno High School. As a second generation graduate of Fresno High, the Warrior mascot carries significant importance to my family and I. While I can understand the derogatory meaning of a "redskin" mascot or other demeaning mascots, the image of the Warrior symbolizes to me and others: pride, honor and respect. It has significant meaning to many in our community and serves as a historical
image that has served the Fresno community proud. I would hope you consider the true definition of a warrior when you consider this. Many of us in the Fresno High district were engaged in struggle and conflict as we went through high school. The warrior image gave us hope and the ability to be a warrior through our daily lives.
Definition of warrior: a person engaged or experienced in warfare broadly: a person engaged in some struggle or conflict
Thank you,

13. Cecilia Patino Funk
FUSD Trustees-
According to a Washington Post poll of Native Americans, more than 90% responded they were in favor of Native American imagery and names being used. They did not consider them derogatory and in fact see them as reminders of their proud ancestry. FUSD's nondiscrimination policy prohibits derogatory images and also references a very long list of citations that support your policy.
FUSD has determined that the Fresno High School Warrior image is derogatory. By what definition? Please share with our community which of the referenced citations in the policy calls for removing a globally recognized, historic image of a distinct and well respected North American.
Native Americans embrace all races as it is known they have historically bestowed the honor and title of Warrior to those who have demonstrated courage and bravery, traits they embody. It is an ethos that transcends race and culture. To remove the Warrior Native American image is a disgrace to Warriors that have walked before us and a form of racism to all now.
You must rescind your decision to remove the image so that true equality is shown to all those who identify as a Warrior. If not, you must hold a stakeholder referendum that permits a fair and transparent debate.
Cecilia Patino Funk

14. Lori Pastre’
Dear Trustees:
I respectfully request that you rescind the decision to remove the FHS Warrior imagery.
• The Warrior is a historical and iconic image that is currently, and always will be, a proud representation of Fresno High for the entire community, the alumni, as well as the current faculty and students.
UNSCHEDULED ORAL COMMUNICATIONS - continued

- As reported by NAGA (Native American Guardian Association), approximately 85-90% of Native Americans polled were in full support of utilizing Native American imagery as recognition of their heritage for sports and other public platforms. Educate not eradicate.
- An overwhelming majority of FHS alumni are proud of the Warrior image and wish to have it retained.
- The financial impact to eradicate the Warrior image is estimated at a cost of at least $400,000, and more than likely expected to reach nearly $1 million.

It is critical in a highly sensitive matter such as this that the entirety of the situation be evaluated in a thorough manner. It is apparent that the appropriate research was not done prior to the Board’s decision to remove the Warrior imagery. A democratic society is one in which the majority voice prevails; we cannot afford to allow a small group of radical individuals attempt to dictate what is in the best interest of all those affected. Please allow for a stakeholder’s referendum to afford everyone an equal opportunity to express themselves and allow their voices to be heard.

Respectfully Submitted,
Lori A. Pastre’

Hello, I’m writing you today in hopes that you and your colleagues will do the right thing and open schools back up, full time, RIGHT NOW, to everyone who wants to go back. I have 5 Elementary school age kids that have been forced into a distance learning program that was only supposed to last two weeks. It’s been a year and the talk of opening back up isn’t good enough, it’s actually insulting at this point. It seems that the only parents and students with a voice that’s being heard, are those that want to stay home wrapped up in their fear. Meanwhile, the rest of us (the majority) are forced to face the reality that our children are suffering in order to keep those that you’ve already given the choice to stay home if they want to stay home, at home where they already are! It makes no sense. Either open the schools to those who need and want to be there, or stop talking out of your a** about it.
Sincerely, A fed up parent.

16. Debra Rodriguez
To the Board Members of FUSD,
Please vote against and not for the changing of the Fresno High School's Warrior image. I along with my three siblings and all of my classmates are Warrior Strong.
I usually do not get involved and I usually stay silent, but this is too important for me to keep silent about. A lot of my warrior classmates still gather around the front of Fresno High every Saturday morning, rain or shine. We all embrace being a Warrior.
The image is an image of a strong proud Warrior. There is no prejudice or discrimination attached to it. Only those that are trying to get you to change it are the ones that are causing trouble.
Please do not waste any more tax dollars on this.
I am and will always be a proud Fresno High Warrior. Class of '79!
Thanks for your time,
Debbie Rodriguez

I am the parent of 2 students that attend FUSD schools - 2nd grade & 7th grade. We have been told as parents by Superintendent Nelson that the FUSD School Board is our avenue to voice our concerns, questions, and to partner with the school district. Mr. Nelson has advised that he is “partnering” with parents by using feedback from the FUSD School Board to be our voice.
The FUSD School Board has had closed meetings for months. Parents have not been able to openly participate in school board meetings. Many parents, including myself, have reached out to the School Board and sent letters to ask questions, asked for you to advocate for parents and students to open schools, to and to ask to be provided the opportunity to share our concerns. Emails and voicemails are not an effective method for parents and students to communicate with the board.
Please answer why you are not holding open board meetings and allowing parents to speak openly, as was previously available prior to the Governor shutting down our state last year. Parents and students are frustrated and tired of feeling unheard, marginalized, and having no one advocate on their behalf.
We are asking that you open school board meetings back up to public speaking so that parents and students may address the school board directly.
Thank you,
Cheri Perry

I am requesting that you do not get rid of our Warrior Image of FHS. I am an Alumni, and Proud to be a Warrior and the image to me is to HONOR and show RESPECT to the Native Americans. Their Heritage is extremely a major part of our California History, and we honor them with the Warrior Image. It was chosen for those reasons and is not offensive or derogatory in any way. Is Fresno unified ready to adopt the 3 ft social distant guideline recently released by the CDC? I cannot understand how 2 days a week is sufficient in person education, especially when it’s basically “zoom in a room” instruction. I have a kinder who has been in a cohort on Monday’s which is now being canceled due to the fact that the teacher is not “volunteering” to teach the Monday cohort. Why is the inconsistent rules being allowed? How can teachers explaining traveling for leisure and not be forced to work from the classroom? This rollout of returning to the classroom is not only embarrassing it’s unforgivable. I am a parent who is in favor of 100 perfect return to the classroom, also a parent who is in favor for the right to choose, please do right by our kids, this hypocrisy has gone on long enough.

Dear Board,
I write to you to request that the subject of the removal of the Warrior mascot be brought back to the table for further discussion. I find it very disheartening that the Board voted to remove our beloved mascot based, seemingly, on one man's outspoken protest, a man who did not even attend Fresno High School and cannot possibly know what it means to the alumni who did attend, and consider ourselves Warriors by our individual and collective experiences as Fresno High School students.
Please take the time necessary to reconsider your decision. Sincerely,

   Dear FUSD,
   I am extremely concerned with the amount of money you are now stating it will take to change the Fresno High Warrior at Fresno High. I was concerned when I saw you were being petitioned but since you stated there would be no fiscal change I didn't get overly concerned. Now I've seen articles saying $400,00.00! This needs to be rescinded. I would have come forward to fight this had I been advised up front of the costs. Rescind this ridiculous tax payer spending now! This is total fraud to lie to me and others to get your way!

22. James Tuck
   Board Members,
   We have come to realize that every single person that ever attended FHS has been unjustly treated by your rash and unreasonable decision to retire a proud Warrior image without any opportunity given to the Alumni.
   You failed to give our side proper notification while allowing our opposition to interact with you freely and irresponsibly.
   We are learning that nearly every endorsement used is fraudulent and the organizations that supported the petition are also made up of social justice warriors who right campaign letters for multiple cancel culture groups daily.
   Why did you not verify any of this? Mr Nelson is nothing more than a political activists as we will prove if we need to.
   Please rescind your vote now,
   Thank you,

Hi,

In response to individuals on the audit who hold Preliminary CTE Credentials:

AGENDA ITEM A-7

Fresno Unified School District
Board Agenda Item

AGENDA SECTION: A
(A – Consent, B – Discussion, C – Receive, Recognize/Present)

ACTION REQUESTED: Approve
(Adopt, Approve, Discuss, Receive, etc.)

TITLE AND SUBJECT: Approve Award of Bid 21-35, Jackson Elementary Multipurpose Building Reconstruction

ITEM DESCRIPTION: Included in the Board binders is information on Bid 21-35, for demolition of the existing multipurpose building (cafeteria) built in 1950 at Jackson Elementary School, and construction of a new facility. The new multipurpose building will include cafeteria and kitchen spaces, air conditioning, student restrooms, partitions for music classes and instrument storage on the stage, and five support space offices. A steel shade structure will be provided for use as an interim dining facility for the approximate ten-month construction period, and meals will be provided utilizing a specially designed mobile food trailer.

The request for bids was lawfully advertised on January 7, 2021. Notifications were sent to 544 firms plus five construction trade publications, and the district received five responses. Bids were opened on March 11, 2021. Staff recommends award to the lowest responsive, responsible bidder:

BVI Construction, Inc. (Fresno, California) $3,203,500

The shade structure was purchased for $188,941 utilizing a Board approved piggyback contract to mitigate long lead times, making the total construction cost of the project $3,392,441. The tabulation is attached and bid specifications are available for review in the Purchasing Department.

FINANCIAL SUMMARY: Sufficient funding in the amount of $3,203,500 is available in the Measure X Fund.

a. For the purposes of this Agreement “Confidential Information” includes any written or oral information or data, disclosed by either Party to the other, which may include, without limitation, information relating to technical, financial, personnel, personal employee information, the network, corporate, administration, plan design, benefits or contractual affairs of either Party or a third party that has been identified as confidential or that by the nature of the circumstances surrounding disclosure ought reasonably to be treated as confidential.

b. Contractor hereby agrees that it shall not disclose Confidential Information, and any materials, discussions, or other communications concerning Confidential Information to any person or entity, except to its own employees, contractor personnel, and to its attorneys, accountants, consultants and other professional advisors having a “need to know,” and who are themselves bound by similar nondisclosure restrictions (collectively, “Representatives”). If Contractor becomes aware of any disclosure or use not in compliance with this Agreement, Contractor shall notify the Committee in writing within three (3) business days. Contractor shall use at least the same degree of care in safeguarding Confidential Information as it uses in safeguarding its own confidential information. Representatives shall be bound to comply with all terms of this Paragraph 13.B. Upon the request of the Committee Contractor shall provide a written acknowledgement from each of its Representatives that said Representative is bound by the terms of this Paragraph 13.B.

c. Contractor's obligation under this Agreement to not disclose Confidential Information shall not apply to information that: (a) becomes generally available to the public other than as the result of unauthorized disclosure by Contractor or a third party; (b) is independently developed by Contractor without the aid, application or use of Confidential Information; or (c) was received by Contractor on a non-confidential basis prior to receipt from the District or from a third-party lawfully possessing and lawfully entitled to disclose such information.

i. Contractor shall furnish the District with a copy of the demand, summons, subpoena or other legal process to compel such disclosure;

14. Injunctive Relief. Each Party acknowledges that a breach or threatened breach of this Agreement may cause immediate and irreparable harm to the District and that, to protect against such harm, the District may seek from a court of competent jurisdiction the issuance of a restraining order or injunction to prohibit any threatened disclosure
or misuse of the District’s Confidential Information. Such an action for a restraining order or injunction is in addition to and does not limit all other remedies provided by law or in equity or by agreement between the Parties.

15. Indemnification and Hold Harmless. To the fullest extent allowed by law, the Contractor shall defend, indemnify and hold District, its agents, employees, Board of Trustees, members of the Board of Trustees, officials, officers, volunteers, and representatives (“Indemnitees”) free and harmless from any and all claims, demands, negligence (including the active or passive negligence of Indemnitees, regardless of whether sole or otherwise, as allowed by law), causes of action, costs, expenses, liabilities, losses, damages or injuries, fines, penalties in law or equity, regardless of whether the allegations are false, fraudulent, or groundless, to property or persons, including wrongful death, (collectively “Loss”) to the extent arising out of or incident to: 1) the performance or breach of any of the terms and conditions of the contract (including but not limited to) the Contractor’s use of the site; or 2) any acts, omissions, negligence, in connection with the performance of Services or otherwise arising from this Contract (“Indemnification”); or 3) the willful misconduct of the Contractor or their respective agents, subcontractors, employees, material or equipment suppliers, invitees, or licensees. The Contractor’s Indemnification includes, but is not limited to, the payment of all damages and attorney’s fees, fines, penalties and other related costs and expenses.

a. The Contractor’s defense obligations (with counsel approved by District), shall arise immediately upon tender of any of the Indemnitees, and the defense shall be paid at Contractor’s own cost, expense and risk, for any and all such aforesaid suits, actions or other legal proceedings of every kind that may be brought or instituted against any of the Indemnitees, notwithstanding whether liability is, can be or has yet been established.

b. The Contractor shall pay and satisfy any judgment, award or decree that may be rendered against any of the Indemnitees, in any such suit, action or other legal proceeding. The Contractor shall reimburse Indemnitees, and each of them, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided.

c. Acceptance of insurance certificates and endorsements required under the contract does not relieve the Contractor from liability under this indemnification and hold harmless clause. The requirements of this Section (Indemnification and Hold Harmless) shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

16. Insurance. Without limiting “Contractor” indemnification, it is agreed that “Contractor” shall secure and maintain in force during the term of this Agreement a Commercial General Liability policy (Contractual liability included) utilizing an occurrence policy form, with limits of not less than one million ($1,000,000) dollars per occurrence, two million ($2,000,000) annual aggregate limit. Business automobile Liability Insurance shall be maintained for owned, scheduled, non-owned or hired automobiles with a combined single limit not less than one million ($1,000,000) dollars per occurrence. In the event “Contractor” is working with students individually or providing professional services to students, “Contractor” shall maintain a policy providing coverage for sexual molestation and/or abuse claims. In the event that “Contractor’s” Commercial General liability policy excludes coverage for sexual molestation and/or abuse claims shall be required to procure a separate or supplemental policy providing such coverage. The limits of coverage for the abuse and molestation policy shall be not less than $1,000,000 per claim and $3,000,000 aggregate. If any of the required policies provide coverage on a claims-made basis then the following shall apply; 1) The retroactive date must be shown, and must be before the date of the contract or the beginning of contract work; 2) Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract work; (3) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Contractor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of work. Self-insured retentions must be declared to and approved by District. The District may require “Contractor” to provide proof of ability to pay losses and related investigations, claims administration and defense expenses within the retention. The policy shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the District.

The District shall be named as an additional insured on the policies by separate endorsement. A Certificate of Insurance and endorsements shall be attached to the Agreement as proof of insurance. The “Contractor” policy shall provide that it is primary such that insurance maintained by the District, if any, shall be excess and not co-primary. “Contractor” shall produce the policy for District, upon request.
17. **Independent Contractor Status.** While engaged in carrying out the terms and conditions of the contract, the Contractor is an independent contractor, and not an officer, employee, agent, partner, or joint venture of the District.

18. **Workers’ Compensation Insurance.** Contractor agrees to provide all necessary workers’ compensation insurance for Contractor’s employees, if any, at Contractor’s own cost and expense.

Contractor will not begin work on the Project site until obtaining a DOJ cleared status through the DISTRICT. 13. Confidential Information

a. For the purposes of this Agreement “Confidential Information” includes any written or oral information or data, disclosed by either Party to the other, which may include, without limitation, information relating to technical, financial, personnel, personal employee information, the network, corporate, administration, plan design, benefits or contractual affairs of either Party or a third party that has been identified as confidential or that by the nature of the circumstances surrounding disclosure ought reasonably to be treated as confidential.

b. Contractor hereby agrees that it shall not disclose Confidential Information, and any materials, discussions, or other communications concerning Confidential Information to any person or entity, except to its own employees, contractor personnel, and to its attorneys, accountants, consultants and other professional advisors having a “need to know,” and who are themselves bound by similar nondisclosure restrictions (collectively, “Representatives”). If Contractor becomes aware of any disclosure or use not in compliance with this Agreement, Contractor shall notify the Committee in writing within three (3) business days. Contractor shall use at least the same degree of care in safeguarding Confidential Information as it uses in safeguarding its own confidential information. Representatives shall be bound to comply with all terms of this Paragraph 13.B. Upon the request of the Committee Contractor shall provide a written acknowledgement from each of its Representatives that said Representative is bound by the terms of this Paragraph 13.B.

c. Contractor’s obligation under this Agreement to not disclose Confidential Information shall not apply to information that: (a) becomes generally available to the public other than as the result of unauthorized disclosure by Contractor or a third party; (b) is independently developed by Contractor without the aid, application or use of Confidential Information; or (c) was received by Contractor on a non-confidential basis prior to receipt from the District or from a third-party lawfully possessing and lawfully entitled to disclose such information.

d. Disclosure of Confidential Information shall not be precluded if such disclosure is: (a) required pursuant to a valid court order; or (b) in the opinion of legal counsel for Contractor, is otherwise required by law, provided that in either circumstance:

   i. Contractor shall furnish the District with a copy of the demand, summons, subpoena or other legal process to compel such disclosure;

   ii. Contractor shall give the District reasonable prior notice of its intention to disclose Confidential Information in order to allow the Committee an opportunity to seek appropriate protection; and

   iii. Contractor shall take all reasonable steps including, without limitation, the pursuit of a protective order, to restrict the disclosure of Confidential Information to the greatest extent possible.

e. All Confidential Information provided by the District to Contractor is and shall forever remain the sole and exclusive property of the Committee and District. By granting access to Confidential Information, the District does not grant any express or implied right to Contractor to use, publish or disclose any Confidential Information. After its review of the Confidential Information Contractor will return to the District all Confidential Information disclosed to it (including copies or summaries of Confidential Information), or with the District’s permission destroy the Confidential Information and certify in writing that it has been destroyed.

14. Injunctive Relief. Each Party acknowledges that a breach or threatened breach of this Agreement may cause immediate and irreparable harm to the District and that, to protect against such harm, the District may seek from a court of competent jurisdiction the issuance of a restraining order or injunction to prohibit any threatened disclosure.
or misuse of the District’s Confidential Information. Such an action for a restraining order or injunction is in addition to and does not limit all other remedies provided by law or in equity by or agreement between the Parties.

15. **Indemnification and Hold Harmless.** To the fullest extent allowed by law, the Contractor shall defend, indemnify and hold District, its agents, employees, Board of Trustees, members of the Board of Trustees, officials, officers, volunteers, and representatives ("Indemnitees") free and harmless from any and all claims, demands, negligence (including the active or passive negligence of Indemnitees, regardless of whether sole or otherwise, as allowed by law), causes of action, costs, expenses, liabilities, losses, damages or injuries, fines, penalties in law or equity, regardless of whether the allegations are false, fraudulent, or groundless, to property or persons, including wrongful death, (collectively "Loss") to the extent arising out of or incident to: 1) the performance or breach of any of the terms and conditions of the contract (including but not limited to) the Contractor’s use of the site; or 2) any acts, omissions, negligence, in connection with the performance of Services or otherwise arising from this Contract ("Indemnification"); or 3) the willful misconduct of the Contractor or their respective agents, subcontractors, employees, material or equipment suppliers, invitees, or licensees. The Contractor’s Indemnification includes, but is not limited to, the payment of all damages and attorney’s fees, fines, penalties and other related costs and expenses.

a. The Contractor’s defense obligations (with counsel approved by District), shall arise immediately upon tender of any of the Indemnitees, and the defense shall be paid at Contractor’s own cost, expense and risk, for any and all such aforesaid suits, actions or other legal proceedings of every kind that may be brought or instituted against any of the Indemnitees, notwithstanding whether liability is, can be or has yet been established.

b. The Contractor shall pay and satisfy any judgment, award or decree that may be rendered against any of the Indemnitees, in any such suit, action or other legal proceeding. The Contractor shall reimburse Indemnitees, and each of them, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the Indemnity herein provided.

c. Acceptance of insurance certificates and endorsements required under the contract does not relieve the Contractor from liability under this indemnification and hold harmless clause. The requirements of this Section (Indemnification and Hold Harmless) shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

16. **Insurance.** Without limiting "Conductor" indemnification, it is agreed that "Conductor" shall secure and maintain in force during the term of this Agreement a Commercial General Liability policy (Contractual liability included) utilizing an occurrence policy form, with limits of not less than one million ($1,000,000) dollars per occurrence, two million ($2,000,000) annual aggregate limit. Business automobile Liability Insurance shall be maintained for owned, scheduled, non-owned or hired automobiles with a combined single limit not less than one million ($1,000,000) dollars per occurrence. In the event "Conductor" is working with students individually or providing professional services to students, "Conductor" shall maintain a policy providing coverage for sexual molestation and/or abuse claims. In the event that "Conductor"s Commercial General liability policy excludes coverage for sexual molestation and/or abuse claims shall be required to procure a separate or supplemental policy providing such coverage. The limits of coverage for the abuse and molestation policy shall be not less than $1,000,000 per claim and $3,000,000 aggregate. If any of the required policies provide coverage on a claims-made basis then the following shall apply: 1) The retroactive date must be shown, and must be before the date of the contract or the beginning of contract work; 2) Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract work; 3) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Contractor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of work. Self-Insured retentions must be declared to and approved by District. The District may require "Conductor" to provide proof of ability to pay losses and related investigations, claims administration and defense expenses within the retention. The policy shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the District.

The District shall be named as an additional insured on the policies by separate endorsement. A Certificate of Insurance and endorsements shall be attached to the Agreement as proof of insurance. The "Conductor" policy shall provide that it is primary such that insurance maintained by the District, if any, shall be excess and not co-primary. "Conductor" shall produce the policy for District, upon request.
17. **Independent Contractor Status.** While engaged in carrying out the terms and conditions of the contract, the Contractor is an independent contractor, and not an officer, employee, agent, partner, or joint venture of the District.

18. **Workers' Compensation Insurance.** Contractor agrees to provide all necessary workers' compensation insurance for Contractor's employees, if any, at Contractor's own cost and expense.

19. **Fingerprinting Requirements.** Contractor hereby acknowledges that, if applicable, it is required to comply with the requirements of Education Code Section 45125.1 with respect to fingerprinting of employees who may have contact with the District's pupils. The Contractor shall also ensure that its consultants on the Project also comply with the requirements of Section 45125.1. If required by Education Code Section 45125.1, the Contractor and its consultants, prior to any of the Contractor's employees, or those of any other consultants, coming into contact with the District's pupils submit through the DISTRICT fingerprints to the Department of Justice (DOJ) for the monitoring and supervision of employee(s) and/or affiliated constituents. Contractor will not begin work on the Project site until obtaining a DOJ cleared status through the DISTRICT. Contractor further acknowledges that other fingerprinting requirements may apply, as set forth in Education Code Section 45125 et seq., and will comply with any such requirements, including having Consultant certifies Consultants certify that none of these employees and/or affiliated constituent(s) will have been convicted of a felony as defined in Education Code section 45122.1. SOURCE OF FUNDING

1) Identify the source(s) of funding for the CURRENT year.

Funding is supported by Restricted Routine Maintenance funds.

2) If this is a single year agreement, how will the ongoing cost of the proposed agreement be funded in the next TWO SUBSEQUENT years? (i.e., What will allow the district to afford this contract?)

Not Applicable

3) If this is a multiyear agreement, what is the source of funding, including assumptions used, to fund these obligations in subsequent years? (Remember to include compounding effect in meeting obligations.)

This agreement provides a salary increase for 2019/20 of 3.0% ongoing and 1.5% one-time based on the 2018/19 salary schedule. The 2019/20 Adopted Budget already assumed the salary increase. For fiscal years 2020/21 and 2021/22, salary increases are based on contingency language dependent on new ongoing LCFF revenues. For 2020/21 the increase is 0% and 2021/22 is estimated at 2.0% based on the January 2021/22 Governor's Budget. Funds have already been appropriated in the 2020/21 budget.

4) What contingency language is included in the proposed agreement? Include specific areas identified. (i.e., reopeners, applicable fiscal years, and specific contingency language)

Not Applicable

5) Will this agreement create, increase, or decrease deficit financing in the current or two subsequent year(s)? Deficit Financing is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If yes, explain the amounts and justification for doing so.

Not Applicable

6) Identify other major provisions that do not directly affect the district's costs, such as binding arbitrations, grievances procedures, etc.

Not Applicable
**DISCLOSURE OF COLLECTIVE BARGAINING AGREEMENT**

### OTHER PROVISIONS

**OTHER COMPENSATION:** Off-schedule stipends, bonuses, etc.

Not Applicable.

**NON-COMPENSATION:** Grievance procedures, staff development days, teacher prep times, etc.

Salary payment shall be electronically deposited to banking institutions of employee's choice for all employees hired after July 1, 2020. Perfect Attendance will exclude floating holidays, approved vacation, jury duty, bereavement leave, union business, military leave, catastrophic leave donated by employee, perfect attendance hours, and personal necessity.
