HEAR Report from Superintendent

- Addressed a somber topic—I must take time tonight to talk to our community about school threats of which most derive from social media. Since last week’s tragic school shooting in Michigan where four students were killed and seven others were injured, we have unfortunately seen a rise in threats to our school campuses, mostly through social media. First, let me assure everyone that as soon as we hear of a potential threat, we immediately involve the police who investigate the threat. We also let our parents know of the threat and any outcome of police investigation. We are grateful that threats to our campuses have been deemed not credible by the police, but it is also a reality check that many students who make these threats are doing so as a joke and are thinking very little about the real consequences of their threat. First, it’s not a joke or funny to see the emotional impact of an entire school community based on a threat—in fact it can be incredibly terrifying for our students, families and staff. It’s not cool. And second, these threats often end in suspension, expulsion, and/or arrests and criminal charges. Those disciplinary actions from school and from the criminal justice system can affect your ability to get a job in the future or to go to the college of your choice. That split-second decision to post, or even repost, social media threats can change a student’s entire life. Please, think before you post and if you see a threat to a school report that threat immediately to a trusted adult on campus—DO NOT REPOST the threat. Parents, please help us by talking with your children about the huge consequences of making threats against others including our school sites. It’s not worth it.

- Shared, that upon board approval, payroll will begin processing for all staff to receive a separate check by December 17 accounting for the 4% pay raise retroactive from July 01, 2021 through November, as well as the one-time half percent payment. Please give our amazing payroll team until the 17th to receive your check. In your regular December check, you will see your raise accounted for moving forward. Thank you to our entire staff for the hard work you continue to do each day, to our fiscal and payroll teams for making this happen, and to the Board for your support.

- Reminded all staff we are currently recruiting for volunteer Academic Decathlon judges! We need judges for the speech and interview portions of the competition and there is training available for all judges. The events will be held VIRTUALLY on Saturday, January 29—so you can do your training and judging all from the comfort of your own home! It’s always a great time to see our students and students across the county in action—I especially encourage our classified staff who might not get to see our students in their academic journeys each day to jump in! You won’t regret it. If you’re interested, please email Mike Jones at mike.jones@fresnounified.org.

- Invited our Trustees to please join us this Friday for a press conference at 11am at Parent University where we will detail some of our many parent resources to support at-home learning with their students. This is a direct effort to continue moving forward with our district goal to increase inclusive opportunities for our families to engage in their students’ education. We’re excited to share some of our new and existing resources for parents and students to encourage learning
outside of the school day, especially as we head into our winter break. We look forward to seeing you there on Friday.

- Celebrated one of our amazing Fresno Unified Family members, who I’m thinking you all have seen this week along with the rest of the country! Campus Culture Director Austin Lemay of Tenaya Middle School had his dance moves go VIRAL starting Sunday reaching celebrities, national news like Good Morning America and E! News, and many millions of people across our nation on TikTok and Instagram! Let’s watch this great feature from ABC30 to hear a little more about how Mr. Lemay captured the hearts of the nation, just doing what he’s passionate about every day.

- Austin, Tenaya team, and all of the other amazing staff who are building relationships with our kids every single day, thinking that you are unseen, please know that we SEE you and we NEED you. You don’t necessarily have to have as smooth of moves as Austin, instead you just need to be authentically YOU and show your authentic care for our students. From seeing Austin’s love and fun with our students go as viral as it has, it shows me that our country is HUNGRY for real engagement and relationships. Don’t forget that the work you do each day truly makes an impact. We love you Austin and the entire Fresno Unified Family!

HEAR Report from Deputy Superintendent

- Sent love and prayers to Superintendent Nelson and his family. I’m filling in for Superintendent tonight as unfortunately his father passed away very early this morning after some time in the hospital.

- Shared, schedules are shifting slightly in the second semester. Parents, students, and staff – should be able to find up to date bus schedules and bell schedules on their school’s website by the end of this weekend. Please check your school’s website before you return from winter break on Tuesday, January 11 to prepare for the second semester. You can find links to every school’s website at schools.fresnounified.org.

- Reminded staff we are holding the third of four virtual staff town halls tomorrow from 4pm to 5pm. Our presentation was developed based on questions staff have directly submitted, and we will also be answering questions live. We realize not everyone is able to join at 4pm tomorrow, so as always, the Communications Department will send the full recording and presentation to all staff by the end of the week. I will lead the Town Hall in place of Superintendent Nelson and will have executive cabinet members online to answer questions.

- Shared the winter professional learning (PL) summit is coming up on January 6 and 7, 2022. The PL Summit will feature 120 different courses from 11 different departments, all based on teacher feedback. Teachers will be compensated at the supplemental rate for as few as one course and as many as six courses. Sign up through iAchieve by January 3. One of the sessions at the PL Summit will be about how teachers can use ATLAS Connect – which we shared at a press conference last week. ATLAS Connect is designed with teachers in mind, with the long-term intent to eliminate the need to utilize other apps like Remind. Right now, teachers can send messages to their whole classrooms through ATLAS Connect Classroom Announcements and teachers can also message one-on-one with parents through ATLAS Connect Conversations. The greatest part about ATLAS Connect is that messages are automatically translated back and forth between the parent’s preferred language and English. If you haven’t used ATLAS Connect yet,
make sure you join that Professional Learning Summit session!

- Reminded all staff, our Board of Education approved the First Interim Financial Report which moved the District forward on staff’s 4% ongoing pay raise. All staff will receive a check by December 17 that includes two things: 1) First, you’ll receive your 4% raise retroactive from July 1 through November, and; 2) Second, you’ll see a one-time payment of one-half percent of your 2020/21 base salary. Starting with your regular December check, you’ll see your 4% raise included which will be ongoing.

- Shared gratitude to our Student Engagement team and Curriculum and Instruction team – specifically Michele Pacheco and Leslie Loewen – for bringing the Killer High documentary to all of our seventh through tenth graders. Let’s take a quick look at this video where District Attorney Lisa Smittcamp and I visited a screening at Sunnyside earlier this week. Thanked the team for making this happen to educate and warn students about the lethal dangers of fentanyl in our community. Parents, teachers, and staff – keep this conversation going with students. Their health and safety mean everything.

- Congratulated Anne Hendrickson, band director at Manchester GATE and Del Mar Elementary Schools, for being named Music Educator of the Year by the California Music Educators Association – Central Section. Anne had a career as a professional musician, performing on several cruise ships as a woodwind musician and worked in New York City for several years performing in jazz bands, Broadway pit orchestras and on national Broadway show tours. Career Increment of 0.75% each year from the 11th to the 20th year to a total of 7.5% at the 20th year and thereafter.

*Additions are non-cumulative

The intent is that management employees use annual vacation days. If not used, these days vest to the individual. Payment for unused vacation days at the time of separation from FUSD will be calculated using a divisor of 248 for 12-month employees.

**B. MENTOR/LEADERSHIP COACH INCREMENT**

An increment of 5% to 10% added to step and grade as part of base salary upon approval by Superintendent or Chief of HR/LR

**C. CHALLENGING ASSIGNMENT INCENTIVE**

Up to 10% increase to base salary upon hire, promotion or reassignment to a position among the most challenging assignments upon approval by Superintendent or Chief of HR/LR.

The intent with respect to the Mentor/Leadership Coach Increment and the Challenging Assignment Incentive is that these two opportunities are mutually exclusive such that no manager/supervisor may receive both the Increment and the Incentive at the same time.

The Mentor/Leadership Coach Increment and the Challenging Assignment Incentive do not fit within the definition of special compensation (2 CCR 571) and therefore are not included in the compensation reported to CalPERS.

ThoughtExchange

ThoughtExchange is a hosted Software-as-a-Service platform. ThoughtExchange allows Exchange Leaders to engage with Participants in structured online interactions. We call each of these interactions an Exchange. Each Exchange is created by an “Exchange Leader” designated by you, our customer. A “Participant” is any other person who participates in the Exchange.

Exchange Leaders and Participants can access ThoughtExchange via most popular web browsers on standard desktop and mobile platforms (see https://get.thoughtexchange.help/hc/en-us/articles/226950227-Supported-browsers-and-devices for a list of supported platforms).

Room Subscription

ThoughtExchange Rooms are virtual environments allowing Exchange Leaders to launch Exchanges to engage participants in meaningful conversations about decisions impacting them.

You have purchased one or more Room Subscriptions. A Room allows the number of Exchange Leaders (specified on the cover page) to create unlimited Exchanges, any of which can be active at the same time. Rooms are collaborative environments. Exchange Leaders who have access to a given Room are able to access and work with all Exchanges created in the Room.

Core Features and Services

Exchange Leaders: Each holder of an Exchange Leader account can create their own Exchanges and have access to special ThoughtExchange features.

Unlimited Participants per Exchange: Exchanges have no limit on the number of participants, although Exchanges including more than a few thousand participants we recommend contacting our customer support team.

Unlimited Exchanges: An Exchange Leader can create an unlimited number of Exchanges.

Unlimited Report Creation: Create an unlimited number of printable, downloadable, or web-based reports.

Multilingual: The ThoughtExchange user interface runs natively in either English, French, or Spanish. Exchanges can be created where Participants can participate in the same Exchange in any language that Google Translate supports.

Analytics and Data Visualization: You have access to analytics and data visualization that is automatically generated by the software. This includes our presentation mode functions and AI-generated theming technology.

Phone, Chat, and Email Support: These are available to you during regular working hours.

Access to Customer Success: Ensures your Exchange Leaders get the training, support, and access to resources in order to run successful Exchanges.

Access to Events and Resources: Engage with your peers, learn from industry leaders, and identify new ideas to better engage with your community and organization.
Administrative Controls: Increased security controls to provide maximum protection. Adjust Room names, registration requirements, set domain restrictions, and add/remove Exchange Leaders.

Machine Moderation: Access to our machine moderation technology which can review thoughts that appear toxic, or that name people explicitly, before they are shared in the Exchange. This allows Exchange Leaders additional security and an opportunity to keep the Exchange a safe space.

Survey Questions: Up to 10 survey-style (multiple choice) questions, allowing for additional filtering of your Exchange data for deeper analysis.

Custom Logo: Add your logo on your exchanges and Summary Reports.

Participant Grouping: Create custom participant groups within a single exchange to keep participant thoughts and ratings contained and be able to compare trends between groups.
ThoughtExchange® US Service Terms – Attachment 2

1. Scope of Agreement

1.1 Fulcrum Management Solutions, Inc., a Delaware corporation ("Fulcrum" or, alternatively, "we" or "us"), markets and sells subscriptions to the online software platform called Thoughtexchange and various online services offered as part of the platform ("Software Services"). We provide one or more types of subscription each having its own set of Software Services. These Software Services are described more fully in Attachment 1.

1.2 This document is attached to a signed cover page and Attachment 1 that incorporates these terms. The cover page sets forth the price and other details of the subscription that you have purchased, and Attachment 1 identifies the particular Software Services you have purchased. The cover page, together with Attachments 1 and 2, constitutes our Agreement for any Software Services that we provide to you.

2. Precedence of Terms

2.1 While this Agreement sets forth the terms under which we provide Software Services to you our customer, the use of the Thoughtexchange online platform by individuals to whom you provide access to lead or participate in an exchange, is governed by our Participant and Leader Terms of Use (the "Terms of Use").

2.2 The Terms of Use provides protections for Participant privacy, prevents abuse of the platform by Participants and limits our liability and yours to Participants and Leaders. We intend for this Agreement, and not the Terms of Use, to govern the relationship between us. Accordingly, if there is conflict between a term set forth in this Agreement and a term set forth in the Terms of Use:

   a) the term contained in this Agreement takes precedence as between us, and
   b) the term set forth in the Terms of Use takes precedence for Participants.

2.3 Our current form of Terms of Use can be found at https://terms.thoughtexchange.com. We may change our Terms of Use from time to time, and we will notify you as early as is commercially reasonable of any upcoming change. No such change will have the effect of changing this Agreement.

3. Exchange Leaders

3.1 Thoughtexchange is a hosted Software-as-a-Service platform. Thoughtexchange allows users to engage with others in structured online interactions. We call each of these interactions an Exchange. Each Exchange is created by an "Exchange Leader." A "Participant" is any other person who participates in the Exchange.

3.2 Access to Exchange Leader features is through one or more accounts authorized by you, our customer, and associated to an email address. At any given time, you may only provide access through the number of email addresses for which you have purchased Exchange Leader accounts. You can add or change the email addresses designated as Exchange Leader accounts. There is no limit on how often you can change these addresses.

3.3 Cancellation, or failure to renew your subscription, will result in suspension of any accounts that you have purchased, either at the time of cancellation or at the end of your current Subscription Period.

3.4 The terms of this Agreement do not permit you to: (a) sublicense the Thoughtexchange platform or any related services; (b) transfer or otherwise grant any rights in or to your right to access and use the Thoughtexchange platform or any related services to any other person; (c) provide Exchange Leader account access to any person outside your organization other than your consultants or similar individuals who are in a fiduciary relationship with you; or (d) run, facilitate, analyze or present any Exchanges on behalf of any third-party. If you wish to do any of the foregoing, you must enter into a separate sales partner agreement with us.
4. Term of Software Services

4.1 The services described in this Agreement are only available to you during the Subscription Period provided on the cover page. If your subscription is terminated for any reason, our obligation to provide services terminates on the effective date of termination of your subscription.

4.2 In providing services to you, our relationship to you is that of an independent contractor. It is not the intent of either party to create a relation of employment, partnership, agency or joint venture. Except as specifically set forth in the cover page, we will bear all expenses incurred in connection with the services.

4.3 You may cancel your subscription at any time during your Subscription Period by providing us with written notice. No refund is payable of any subscription fees already invoiced or paid. We may cancel your subscription at any time and will issue a refund pro-rated based on the number of months remaining to the end of your Subscription Period.

5. Ownership of Content

5.1 You own all visual, written or audible communications and any other material that is produced by you and your Exchange Leaders, stored under your account or published in one or more of your Exchanges. You also own the rights to content created or provided by Participants as part of an Exchange that is licensed to you under the Terms of Use. (All of the foregoing is collectively referred to as “Content.”) As part of your subscription, we provide hosting for your Content as well as the tools to create and manage your Content.

5.2 Other material specific to you that we create in providing your services (including, but not limited to, text, graphics, logo, pictures, audio and video) is also owned by you, and you have the right to use it as you see fit following termination of this Agreement.

5.3 All designs, templates, general graphics (i.e. graphics not directly pertaining to your organization) or method of presenting data (e.g. infographics), whether or not created with your input and or assistance, to the extent they do not contain content specific to you, are our property and can be re-used by us for any purpose.

5.4 By way of example, and not limitation, of the foregoing:

a) You own the specific results and the specific visualizations of the results of your exchanges. We retain ownership of the analytic processes and mechanisms of visualizations even if these were developed or improved in conjunction with you.

b) Once a customized report or presentation of your exchange results has been completed, it is your property and you may make use of it as you wish. We retain ownership of the design of the report to use as a template for other reports with other customers, even if the design was developed or improved in conjunction with you.

6. Responsibility for Content

6.1 You are solely responsible for any liability arising from your Content. We do not guarantee the accuracy, integrity or quality of any Content.

6.2 While we make a reasonable effort to be compliant with the data access laws in all jurisdictions in which we have a significant number of customers, you are ultimately responsible for following the laws in your state, province or country, including any legal requirements concerning data access. We do not guarantee the availability of our Software Services in all countries and they may not be available for use in any specific jurisdiction.

6.3 You and your Leaders and Participants also control the privacy of your Content. We have no responsibility for Content disclosed by you, your Leaders or Participants.
6.4 We will use commercially reasonable efforts to ensure that only Participants and Leaders authorized by you have access to your Content and to maintain the privacy of your Content stored on the Thoughtexchange platform.

6.5 Except as permitted by this Agreement or otherwise required by law, we will not share your Content with any third party without your permission. If you grant us permission to use this information publicly you agree this information may be used by us for all business purposes, without any accounting or any payment to you, unless otherwise arranged at the time permission was given. “Permission,” as used in this agreement, means written permission including email.

6.6 You acknowledge and agree that we may cooperate with any governmental authority in connection with any investigation into your use of our services, including use in contravention of applicable laws, and may, in accordance with applicable laws, disclose any Content, and any other information pertaining to you or to your use of our services to such governmental authority in connection with any such investigation. Notice of our cooperation with any such investigation will be provided to you where reasonably possible.
