HEAR Report from Superintendent

- Good evening and let me be the first to welcome you all to the 2023/24 school year! We are so excited to kick off the school year on Monday with all our students back on our campuses!
- We have had such a fun and successful summer with summer academies at most schools, and amazing summer camps all throughout the month of July. Almost 8,000 of our students enjoyed summer camps like the Sports Science Institute, Junior Chef Academy, Making the Banda, Zooventures, River Camp, amazing sports camps with our Fresno State Athletes, and so many more opportunities. Actually, let us take a quick look at a great story from KSEE24 on our Dive into Space summer camp.
- Isn’t that amazing? Every summer, thanks to our Extended Learning team, we are challenging our students academically AND ensuring they have real-world and student-centered learning experiences.
HEAR Report from Superintendent - continued

In fact, just this morning I was with our Extended Learning team for their kickoff with all staff and we had Michael Funk, Director of Expanded Learning at the California Department of Education with us in-person. Mr. Funk specifically shared with us that Fresno Unified is the gold standard NATIONALLY for after school and summer school use of extended learning funding! I am so proud and so grateful to every single one of our Fresno Unified Family, including our community partners, who have made these incredible opportunities available for our students!

- Coming off of a super successful summer and ending the last school year seeing our students’ academic growth back on the rise, we are ready to maximize that success with our best year yet! On top of the many ongoing and additional investments directly into our student achievement over the years, this school year alone we’re adding another $93 million directly into our plans for students this year.

- We are putting $20 million per year for the next 5 years into our concerted literacy efforts, specifically targeting our preschool through first graders with our “Every Child a Reader” plan. In addition, we have $2.1 million in 15 additional literacy coaches to support early literacy and $1.7 million in additional high school teachers to support smaller class sizes in literacy.

- We are putting an additional $7.2 million into school safety. We know safety is a top priority of ours, of our families, and of our staff so we’re adding 68 campus safety assistants to ensure every single elementary school has a full-time campus safety assistant and that our comprehensive high schools have even more campus safety assistants. We are adding more cameras, providing more training and preparedness, and have invested in a new Executive Director of Safety, Walter Gunn. Walter brings more than 30 years of experience in safety and security who, among many other duties, is overseeing school site and department safety plans and is evaluating and making improvements to our existing systems, while also serving as a liaison to our site administrators.

- These are just a couple of examples along with the almost $9 million additional investment into health and wellbeing including our first phase of ensuring a full-time school nurse at every school, more than $9 million in technology upgrades including outdoor Wi-Fi expansions at campuses across Fresno Unified, more than $8 million for facilities and maintenance, more than $13 million for arts and athletics, an additional almost $4 million in our Special Education services and so much more.

- Speaking of our Special Education services, I have to give a shoutout to our labor partners at CSEA and our bargaining team for finalizing agreements over the past week that will drastically improve our services for students receiving specialized services. Thanks to collaboration at the negotiating table, Special Education Paraprofessionals now have four additional professional learning days per year, those working 6-hour days are increased to 7-hour duty days to align with school site and student needs, and all Special Education Paraprofessionals are seeing a 5-grade reclassification as they take on additional responsibilities to best serve our students. This is amazing news for all involved, and most importantly our students. Thank you, team!
HEAR Report from Superintendent-continued

- The more than $93 million in additional student investments are targeted and strategic, fulfilling plans we have made to improve academic performance, increase student engagement, and expand opportunities for student-centered, real-world learning experiences. These plans have been made considering the feedback of our families, our teachers, our staff, and our students – specifically looking to meet the needs of our community. I think of our English Learner Master Plan as a great example, where our teams are engaging to get critical feedback, using research and best practices, showing their increases in reclassification rate, AND working to better their targeted services. Just last year, over 1,000 students were reclassified – this is nearly a 7% increase from the previous school year. I am sure you can tell – but I am not kidding when I say this is going to be our best year yet!

- I have to say thank you to all our team members who have been hard at work over the summer ensuring our campuses are clean, beautiful, and ready for our kids next week. Special thanks to our custodians, our ground workers, maintenance crews, and so many others for your amazing work and dedication.

- Thank you to all our fantastic teachers who are back today. I know you are all getting your rooms ready for your students, getting your lessons in line for an amazing year of learning, and I am sure getting those first day jitters built up like I did every year getting my room ready for my kids. We want to ensure you have what you need to be successful, and though I know there were options and choice provided initially regarding technology, specifically projectors, if you are missing that piece of technology and could use it to make your instruction that much more engaging, please talk with your site leader. Your leaders can work directly with our Information Technology folks on options available to you.

- I would be remiss not to acknowledge what I know is on many of our teachers and families’ minds as we move into the fact-finding process with our teachers’ union. We are doing our absolute best to avoid a strike, as our students deserve to be in their classrooms with their teachers – especially after the impact of the pandemic on our schools. However, if a strike does become our reality, we are well-prepared and we will ensure our schools stay open, safe, and full of critical learning for our students. Our kids cannot afford to lose any learning time, and we are committed to ensuring that does not happen. I can assure you; we will continue to work towards an agreement that is best for kids, mutually beneficial, and ensures the ongoing fiscal stability and strength of Fresno Unified.

- Last, I want to make sure our families know where they can go for all of their back-to-school information. You can find information about required immunizations, bus and bell schedules, enrollment information and more on our website at www.FresnoUnified.org. And to our community – PLEASE be safe on the roads on Monday. Our kids will be walking, biking, at bus stops, and increased traffic will be around our schools for drop-off and pick-up times. Slow down, give yourself extra time, and please put down your electronics while you are driving. Our kids depend on it and deserve to be safe as they come and go from our schools. You’ll see this Public Service Announcement running on our local stations, let’s take a look. Be safe – we cannot wait to see you on Monday, August 14!

A. CONSENT AGENDA - continued

For the record, Board Members had comments/questions pertaining to agenda item A-23. A summary is as follows:

Clerk Wittrup: Stated is not asking to table the item because does not want to hold up progress on clean air in classrooms but does have concerns. Stated will scrutinize future construction projects and change orders from all general contractors. Commented on seeing a pattern of numerous and excessive change orders from primary general contractors. Commented on the bidding process and stated if every bid ultimately means the district pays an additional ten percent on construction contracts it does not seem like an honest process, and even the perception of impropriety is not acceptable.

Commented a review of construction projects over the last seven years showed the district has contracted with Davis Moreno for more than $212 Million with an additional $6 Million in change orders. Asked why the district is giving the largest share of construction projects to a company that has been suing the district over the past eleven years. Asked how much the district has paid in legal fees because of this lawsuit. Asked how much the change orders for the five current contracts with Davis Moreno cost. Strongly urged the district to put an end to the lawsuit with Davis Moreno as it continues to cost the district and taxpayers money that should be directed to the education of students.

Member Thomas: Asked if Stephen Davis is making a profit from the work being done for the district. Commented the district should not hire people who are suing the district and requested staff to see what can be done to rectify.

Member Jonasson Rosas: Commented in the past scrutinized every change order brought forward, but it did not seem to gain momentum; because of that made the decision not to scrutinize change orders as it did not go anywhere. Commented on being happy to hear it is changing and the opportunities presented. Commented on having been told that restricting change orders will make the district noncompetitive and vendors would not want to bid on projects. Commented one area for change is if errors cause additional construction cost the entity that made the mistake should cover the cost for mistake. Commented that as the district moves forward the prequalification process should be tightened. Requested a status update on the design build model.

Member Cazares: Commented she does not believe the practice the district uses is unfair. Commented that hard bid is most likely the fairest way to choose someone in construction. Asked what colleagues are using to make comparisons. Commented on having seen change orders with credits when vendor has made a mistake and it is not unusual to see. Commented that $6 Million in change orders over $212 Million in projects is less than 3%. Commented it may be useful to see the next highest bid received. Stated not against revising prequalification standards regarding suing the district, if it is legal, and would like staff to find out how well it has worked for districts regarding low bids.
A. CONSENT AGENDA - continued

Member Davis: Commented it is disheartening to see the district in a lawsuit for a number of years and it would behoove the district to keep a running tally of what can be done to best serve the district and maximize every dollar.

On a motion by Board Member Levine, seconded by Board Member Cazares, agenda item A-23 was ratified by a roll call vote of 4-1-2-0 as follows: AYES: Board Members: Cazares, Davis, Levine, and Board President Islas. NOES: Board Clerk Wittrup. ABSTENTIONS: Board Members: Jonasson Rosas and Thomas.

The purpose of this agreement is to establish an understanding of the Continuous Leadership Improvement Cohort for Digital Transformation and Growth program objectives, components, and the program participant’s commitments.

1.1 Overview

The K-12 Strategic Technology Advisory Group (K-12 STAG) Continuous Leadership Improvement Cohort (CLIC) is a comprehensive three-year program designed to empower school districts in their digital transformation and alignment strategies. The CLIC program’s objective is to drive digital transformation across participating school districts by leveraging strengths, highlighting focus areas, and devising effective strategies for improvement. K-12 STAG empowers senior tech leaders by equipping them with necessary skills and resources to lead and manage digital initiatives confidently. Furthermore, the program aims to foster a collaborative learning community where cohort members can exchange best practices, address challenges, and grow collectively. In summary, the objectives of the program are:

1. **Purpose.** In connection with a contemplated or existing business relationship, either party may disclose to the other party certain proprietary information which the disclosing party considers and wishes to keep confidential.

2. **Definition.** "Proprietary Information" includes, but is not limited to, the following types of information and other information of a similar nature, whether or not reduced to writing or designated as confidential: technical or scientific data; future development plans; know-how; research; products; services; inventions; ideas; processes; designs; drawings; models; sketches; lists; strategies; engineering plans; marketing and business development plans and techniques; methods of obtaining business; cost, fee and other financial data; pricing and billing policies; personnel information; names, contact information and other customer information; vendor names and other vendor information; forecasts and forecast assumptions; purchasing and internal cost information; and the manner and methods of conducting business. Proprietary Information shall not, however, include any information which (i) was publicly known and made generally available in the public domain prior to the time of disclosure; (ii) becomes publicly known and made generally available after disclosure through no action or inaction of the receiving party in violation of this Agreement; or (iii) is in the possession of the receiving party, without confidentiality restrictions, at the time of disclosure, as shown by the receiving party's files and records; (iv) is obtained by the receiving party from a third party who is not known by the receiving party to have obligations of confidentiality regarding such information; (v) is independently developed by the receiving party without use of or reference to the disclosing party's Proprietary Information, as shown by documents and other competent evidence in the receiving party's possession.

3. **Disclosure Restrictions.** Each receiving party agrees not to disclose, display, provide, transfer, or otherwise make available all or any part of the Proprietary Information to any person or entity, except to those employees, consultants financial, legal or other advisors of the receiving party who are required to have the information in order to evaluate or engage in discussions with the disclosing party and who are under an obligation of confidentiality consistent with the terms of this Agreement. The parties shall not disclose any terms proposed or under discussion, or the fact that the parties are engaged in such discussions. Such proposed business relationship shall be treated as secret and confidential. Each receiving party agrees to treat such Proprietary Information disclosed to it with at least the degree of care that it treats similar materials of its own.

4. **Use Restrictions.** Each receiving party agrees not to use Proprietary Information disclosed to it for its own use or for any purpose except to evaluate whether to become or remain engaged with the other party in a business relationship or, after becoming engaged, to carry out such business. The receiving party shall not make copies of the Proprietary Information unless previously approved in writing by the disclosing party. Each receiving party agrees not to reverse engineer, disassemble or recompose any materials, prototypes, or other
tangible objects which embody the Proprietary Information. The receiving party agrees that it will take all reasonable steps to protect the secrecy of and avoid disclosure or use of Proprietary Information in order to prevent it from falling into the public domain or the possession of unauthorized persons. The receiving party agrees to notify the disclosing party promptly in writing of any misuse or misappropriation of such Proprietary Information which may come to its attention.

5. **No Obligation.** Nothing herein shall obligate the parties to proceed with any transaction between them, and each party reserves the right, in its sole discretion, to terminate the discussions contemplated by this Agreement.

6. **No Warranty.** ALL PROPRIETARY INFORMATION IS PROVIDED “AS IS.” EACH DISCLOSING PARTY MAKES NO WARRANTIES, EXPRESS, IMPLIED OR OTHERWISE, REGARDING THE ACCURACY, COMPLETENESS OR PERFORMANCE OF ITS PROPRIETARY INFORMATION.

7. **Termination of Obligations.** This Agreement may be terminated at any time by either party upon written notice to the other party. Notwithstanding any termination hereof, the receiving party’s obligations under this Agreement shall terminate with respect to any particular portion of the Proprietary Information upon the earlier to occur of: (a) such information is no longer Proprietary Information pursuant to Section 2(i) through (v) of this Agreement; or (b) three (3) years from the date such information was disclosed, provided that the receiving party’s obligations hereunder shall survive and continue in effect with respect to any Proprietary Information that is a trade secret under applicable law until such time that the information is no longer a trade secret.

8. **Property Rights: No License Granted.** All Proprietary Information of a party shall remain its property. Nothing in this Agreement is intended to grant any license or rights to a receiving party under any patent, copyright, trade secret or other intellectual property right, nor shall this Agreement grant the receiving party any license or rights in or to the Proprietary Information.

9. **Return of Proprietary Information.** At the request of the disclosing party, upon termination of discussions or upon termination of the business relationship between the parties, the receiving party shall promptly return to the disclosing party all Proprietary Information together with all copies made thereof and all documents and things containing any portion thereof (or in the discretion and at the direction of the disclosing party, shall destroy such information); provided that, the receiving party shall be permitted to retain a back-up copy of such Proprietary Information as required by law, rule, regulation or internal compliance policies, which retained Proprietary Information shall continue to be subject to the provisions of this Agreement.

10. **Disclosure Required by Law.** Notwithstanding anything to the contrary contained in Section 3 and 4 hereof, the receiving party may disclose or deliver Proprietary Information of the disclosing party only to the extent that such disclosure or delivery is necessary for the receiving party to comply with any law, rule, regulation, order of court or other legal process; provided that, unless prohibited by applicable law, the receiving party shall give the disclosing party reasonable advance notice of any such proposed disclosure or delivery, shall use its reasonable efforts to secure from any person obtaining access to the Proprietary Information of the disclosing party pursuant to this Section 10 an agreement in writing to be bound by the provisions of Sections 3 and 4 of this Agreement, and shall advise the disclosing party in writing of the manner of such disclosure. At the expense of the disclosing party, the receiving party shall reasonably support the efforts of the disclosing party to limit the scope of the disclosure and/or to obtain an order or other reliable assurance that confidential
treatment will be accorded to the Proprietary Information. If the disclosing party is not able to secure such order or assurance, then the receiving party will only disclose that portion of the Proprietary Information that its legal counsel advises it is required to disclose and the receiving party will exercise reasonable efforts to obtain reasonable assurance that confidential treatment will be accorded to such Proprietary Information.

11. **Remedies.** The receiving party agrees that its obligations hereunder are necessary and reasonable to protect the disclosing party, and expressly agrees that monetary damages would be inadequate to compensate the disclosing party for any breach of any covenant or agreement set forth herein. The receiving party agrees and acknowledges that any such violation or threatened violation will cause irreparable injury to the disclosing party and that, in addition to any other remedies that may be available, in law, in equity or otherwise, the disclosing party shall be entitled to obtain injunctive relief against the threatened breach of this Agreement or the continuation of any such breach, without the necessity of proving actual damages.

12. **Miscellaneous.** This Agreement shall bind and inure to the benefit of the parties hereto and their successors and assigns, provided that the right to receive Proprietary Information may not be assigned without the written consent of the disclosing party. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas without reference to conflict of law principles. Failure to enforce any provision of this Agreement shall not constitute a waiver of any other provision hereof. This Agreement contains the entire agreement of, and supersedes any and all prior understandings, arrangements and agreements between the parties, whether oral or written, with respect to the subject matter hereof. If one or more of the provisions in this Agreement are deemed void by law, then the remaining provisions will continue in full force and effect.

13. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed to be an original and together shall be deemed to be one and the same agreement. All headings are inserted for convenience of reference only and shall not affect its meaning or interpretation.

APPENDIX A3

Grantee: Fresno Unified School District
Grant Amount: $5,810,000
Term: September 1, 2021 through June 30, 2024 (Scope period: September 1, 2023 through June 30, 2024)
Grant ID#: 20210180

Wallace’s mission is to foster equity and improvements in learning and enrichment for young people, and in the arts for everyone. We seek to catalyze broad impact by supporting the development, testing and sharing of new solutions and effective practices.

Our approach is to work collaboratively with others both to create benefits for the people these organizations serve and to develop new knowledge and insights to catalyze broad impact. We seek to establish and maintain strong, effective partnerships with grantees. We have learned from our grantees that our approach means your experience working with Wallace may be similar to your experience with other foundations in some respects, and different in others. Here is what you can expect in working with Wallace:

- The key to successful partnerships is a mutual commitment to open, candid, ongoing and respectful communications. We commit to be clear and timely in communicating our goals, strategies and expectations. In turn, we ask that you share with us what’s working well, if something isn’t working as expected, and what you are learning. We take seriously our own accountability as a foundation to use philanthropic resources wisely, which means regularly assessing whether the work we are funding is creating hoped-for results and benefits.

- To support our shared goal to test ideas and practices that we can learn from and share broadly with the sector, many grants require studies, evaluations or other efforts to elicit lessons and observations from grant-funded activities. These studies and evaluations result in public reports that are widely disseminated. As partners in knowledge development, you agree to cooperate fully with Wallace and its designees, including cooperating with data collection activities.

- To support shared learning, we may ask grantees to participate in learning communities with other grantees and experts to discuss experiences and challenges in the work, exchange ideas, share expertise, and advise members of the community on issues that may be relevant to your work. In turn, we commit to organize these convenings so that you will find them a valuable use of your time.

A. Initiative Strategy and Purpose

Given that comprehensive, aligned principal pipelines have been demonstrated to benefit student achievement, and given the key role of principals in advancing equity, this initiative seeks to learn whether and how districts can develop and implement comprehensive, aligned principal pipelines that produce equity-centered leaders who can help bring a district’s vision of equity to fruition. The initiative seeks to benefit both participating districts and yield broadly applicable approaches that other districts can adapt to their own contexts.

The question the initiative seeks to answer is:

“How can large, high-needs districts, in partnership with their stakeholders, create comprehensive, aligned principal pipelines and other supports that are capable of
producing and supporting equity-centered leaders within the district ecosystem?"

B. Overview of Key Terms

The visual below captures key definitions used in this initiative related to expectations for moving work forward and the relationship between goals, strategies, key actions, activities, and expenses.

- **Initiative-Wide Five-Year Goals**: Common goals shared by every district partnership team in the initiative.
- **Strategy**: The set of reasoning that drives the work forward.
- **Year Three Strategy**: The strategy for the initiative’s third year that will undergird the main approach for each of the seven domains and enable teams to prioritize the activities in their work plan.
- **Initiative-Wide Key Actions**: The overall, common set of guiding principles that characterize the approach across the initiative.
- **Activities**: The specific ways the actions will be implemented, captured in the workplan.
- **Expenses**: Costs associated with the activities, captured in the budget.

C. District Ecosystem

This initiative involves the full district “ecosystem,” by which we mean all the organizations that form the community affecting the education of children and preparation of teachers and leaders. This includes the district’s central office, university partners, stakeholders (such as students, parents, city agencies, and community organizations), and the state education agency or agencies.

D. Goals: Five-Year Initiative-Wide Goals

At the end of a successful five-year initiative, each district and its stakeholders will have:

- Defined what equity means in the context of the district’s history, policies and strategic vision, and with the input of key stakeholders including parents and students,
- Developed a comprehensive, fully aligned principal pipeline and other supports that produce equity-centered leaders,
- Made each of the seven key pipeline features fully reflect the district’s context and definition of equity,
- Aligned this principal pipeline with the district’s strategic plan, policies and practices, its central office, its equity office (if it has one), and the pipeline functions and the structures of the various organizations in its ecosystem (i.e., feeder university preparation programs, state policies and local community organizations)

E. Year Three Goals

On behalf of your district partnership team, upload the Year Three goals that will undergird the main approach for each domain and enable you to prioritize the activities in your work plan (September 1, 2023-June 30, 2024). Please draw on the vision for an equity centered pipeline developed in Year One and the logic model revised in Year Two.
F. Initiative-Wide Key Actions in Year Three

Throughout the initiative, districts and their partners will employ the six key actions listed below to guide the work, collaborating with all the partners in the ecosystem. District partnership teams will engage with the Program team, participate in the research studies, and share their challenges, opportunities, pitfalls and back-steps during this process. Confidentiality and anonymity will be maintained throughout.

1. Key Action One: Developing and sustaining deep partnerships with internal and external stakeholders and organizations,

2. Key Action Two: Visioning and strategic planning

3. Key Action Three: Revisit and refine “equity” and “equity-centered leaders”

4. Key Action Four: Begin implementing an equity-centered principal pipeline that translates the vision into reality

5. Key Action Five: Providing mentoring and training for current assistant principals to become the next generation of equity-centered principals

6. Key Action Six: Engaging in continuous improvement

*See work plan for description of specific activities to implement actions identified above. The budget template includes the corresponding spending anticipated.*

G. Participation in Research and Data Requirements

All district teams will participate in the research activities associated with this initiative, including data sharing, interviews with key personnel, and site visits. Names of districts, and local communities participating in this initiative will not be linked to specific findings in any public report, without expressed permission of district leaders. Researchers will provide districts opportunities to review, for accuracy and confidentiality, all research reports before they are published. *Names of individuals will be strictly confidential. While individual identifiers are often necessary to link cases across time and datasets, personal identifiers of participants will not be shared with Wallace or districts and will be scrubbed at the end of the study.*

A draft set of data elements was shared with districts in February 2023 that included student-level data. Specific requests for student-level data will be reconciled between researchers and districts upon mutual agreement. In addition, data requests will be coordinated between the program and research teams to ensure minimum duplication of data requests.

Additionally, districts may participate in a unique short cycle of Research Practice Design Network. Additional information regarding the ECPI RPDN can be found in Appendix B.

H. Wallace Network Activities

1. Appropriate district partnership team members are asked to continue to meaningfully engage with all provided initiative-wide technical assistance, including:

**J. University Partner Tuition Guidelines (if applicable)**

In partnership with the applicable university partners, the district will develop and submit budgets detailing their commitment to support district employees who will enroll as students in graduate programs (i.e., Masters or Doctorate). The budgets will include the amount of grant funds that will be allocated to support tuition, the district sustainability plans for Years Four and Five (e.g., where additional funds will come from to decrease the grant funds used for the tuition support for each year), and the university sustainability plan for Years Four and Five.

**K. Fiscal Agent**

The district will assume the role of fiscal agent with respect to the funds received from Wallace. In your role as fiscal agent, you will ensure that pass-through distribution of grants to the two university and state partners is accomplished in a timely way.

**L. Responsibility for Legal Review**

The Wallace Foundation expects that all grantees of the Equity-Centered Pipeline Initiative will comply with applicable federal, state and local anti-discrimination and equal opportunity laws and that no portion of the grant funds will be used to in any way discriminate against, deny benefits to, deny employment to, or exclude from participating any persons (except where expressly permitted by law) on the grounds of race, color, national origin, religion, age, disability, marital status, sexual orientation, gender, legal citizenship or any other characteristic protected by law.

**M. Freedom of Information Act (FOIA) Reporting Requirements**

All grantees are asked to notify their assigned Wallace contact (Program Officer) of any Freedom of Information Act (FOIA) requests received for response that are (1) specifically for documents related to the Wallace grant award, or (2) requests for materials related to your Wallace grant award. Notification of all requests should be shared with Wallace contact(s) within fifteen (15) days of any request.

**N. Changes to the Grant**

You must make a request, in writing, to your assigned Wallace Program Officer prior to making any changes to the grant, including but not limited to:

- Revision of a budget line or budget category of more than $5,000, subject to a cumulative cap of $45,000
- Change in the scope of work or strategy
- To add, delete or change a deliverable
To substantially change the level of involvement of a staff member or members considered key to the project

If the approved budget includes indirect costs, such costs will be identified in a separate budget line and may not exceed 20% of direct costs. Indirect costs are shared costs that are not directly attributable to the project itself, such as rent, utilities, allocated charges for administrative departments (e.g., Accounting, HR, Development), information technology, telephone and supplies. The indirect rate should be applied to actual expenditures for each grant payment period.

If you anticipate unexpended funds (balance) will remain at the end of the grant term, you must have a discussion with your assigned Wallace Program Officer about the use of the remaining funds at least three months prior to the end of the grant term. Your request should identify the remaining funds and propose a plan for spending down (course correction request).

O. Payment Schedule

Within thirty (30) days of Wallace's receipt of this grant agreement signed by you, Wallace will send you an electronic ACH transfer in the amount of $800,000. Wallace will send a second payment for the remaining balance of $800,000 on or before January 30, 2024. Separately, Wallace will send you instructions on how to submit your banking information using our secure grantee portal.

ECPI RESEARCH-PRACTICE DESIGN NETWORK
An opportunity for collaborative learning and support in Year 3

Wait, what happened to RPPs?
The idea for a Research-Practice Design Network (RPDN) emerged from our listening tour with district leaders in early 2023. In that listening tour we heard that the lift of initiating, managing, and designing a unique RPP residing in a single district was likely too much to add to already full plates at this time. We also heard that district leaders had similar challenges that they were wrestling with and many expressed desire for more opportunities to collaboratively learn and design together.

What is an RPDN?
- The RPDN is an opportunity to deepen the learning and design network of districts involved in ECPI - it will bring together multiple districts to partner with a group of researchers on a shared problem of practice identified by district leaders.
- The RPDN is similar to an Improvement Network in that it is designed to structure intentional collaboration between groups of leaders grappling with similar problems of practice in different contexts.

What will the RPDN do?
For this first year, the RPDN will engage with the problem of practice that surfaced across our district listening tour: How can we design ways of seeing/tracking deep change in our districts over time? We will work together to learn about and co-design practical measures that could be used to track small and important shifts over time. Practical measures are dip-sticks that are quick, can be built into day-to-day practice, and give real-time information about how change is unfolding to inform ongoing decision-making. In the case of ECPI districts, a practical measure might help us see:
- How are our district visions of equity being taken up in day-to-day practice? Are they becoming shared?
- Is principal supervision practice actually changing in the ways we hope it is? How so?

What are practical measures?
Practical measures...
- are easy to implement
- provide frequent, rapid feedback
- directly inform efforts to track and improve practice
- use language that is relevant and meaningful to practitioners
- are not meant to be used for accountability or high-stakes, evaluation purposes
(Adopted from PM2 Project)

When will this happen? What are we committing to? Who will participate?
The first RPDN will launch in Fall 2023. During the first year, the current plan is for the RPDN to meet:
- virtually for 2 hours once a month
- in-person about 2 times a year (timing TBD)

By joining as a district, you are committing to sending a team of 3–4 staff/partners to each meeting. They will participate and learn alongside members from other districts, a team of 2-5 researchers, and Wallace staff in a process led by a facilitator. As a district, you will design and test out at least one practical measure to support your ECPI work.

For further information, please do not hesitate to reach out to the ECPI Research-Practice Working Group Leads:
- Paula Arce-Trigatti: parectigatti@prace.edu
- Allison Resnick: allisonresnick@colorado.edu

Fall 2023: Learn about practical measures and imagine potential uses of them in your ECPI context.

Winter 2024: Engage in initial design and testing of a practical measure specific to your district's work and context.

Spring 2024: Engage in further testing and refinement, aiming to design a practical measure that can be routinely used in the following school year.

Board Agenda Item

AGENDA ITEM A-11

Board Meeting Date: August 23, 2023

AGENDA SECTION: A
(A – Consent, B – Discussion, C – Receive, Recognize/Present)

ACTION REQUESTED: Approve
(Adopt, Approve, Discuss, Receive, etc.)

TITLE AND SUBJECT: Approve Award of Request for Proposals 24-10, Air Purifier Upgrades for Various Sites

ITEM DESCRIPTION: Included for Board consideration and approval is information on Request for Proposals 24-10, Air Purifier Upgrades for Various Sites, to establish fixed pricing for air purifiers, filters, cells, lamps, catalysts, etc. and services related to changing out filters and consumables. The criteria used to evaluate the air purifiers was based on total unit cost; total cost of consumables; effectiveness, and meeting indoor air quality (IAQ) for individual rooms at various Fresno Unified School District facilities. The air purifiers selected will improve indoor air quality in classrooms and large spaces district wide as well as reduce the levels of microbial exposure in the air and on physical surfaces through reoccurring filtration of indoor air. Better air quality at schools will reduce absenteeism and illnesses among students and staff, which will enhance student achievement.

The request for proposals was lawfully advertised on May 26, 2023, and June 02, 2023. Proposals were received on June 23, 2023. Notifications were sent to 169 vendors, and the district received 14 responses. The air purifier equipment agreement will end August 31, 2024. The services for changing filters and consumables will be for three years with the option to renew for two additional one-year periods. The evaluation panel, comprised of Fresno Unified School District environmental staff and a district approved engineering firm, Net Positive Consulting Engineers, recommend approval of the following vendors:

Oransi’s MOD+ air purifier was found to meet third party testing listing requirements, specifications for true-HEPA air filtering, quiet operation, providing adequate room air changes for the classrooms, and for providing competitive pricing.

Oransi, LLC (Radford, VA) $4,225,038 (est. amount)

Trane’s Synexis Sentry air purifier was found to meet third party testing listing requirements, quiet operation, specifications for deactivating and suppressing microorganisms, while having the minimum quantity of units required to serve the large volume spaces without triggering infrastructure upgrades.

Trane, U.S. Inc. (Fresno, CA) $2,912,371 (est. amount)

RFP, responses and scoring matrix are available for review in the Purchasing Department.

FINANCIAL SUMMARY: Sufficient funds in the estimated amount of $7,137,409 are available in the Elementary and Secondary School Emergency Relief III Budget.

NOW, THEREFORE, in consideration of the mutual covenants, terms, and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Event Space. Elite hereby issues to Client a temporary, limited and revocable license (the "License") to use the "Event Space" for the "Event" (as such terms are defined in Schedule 1)
and to use the areas within or about the Building such as the lobbies, elevators, stairways, restrooms, delivery areas, and parking areas (collectively, the “Common Areas”) solely for the purposes of accessing the Event Space and using the Common Areas in connection with the Event in accordance with the Rules and Regulations (defined below). The License permits the Client to use the Event Space only for the Event on the “Event Date” during the “Event Time” (as such terms are defined in Schedule 1). The License shall not, under any circumstances, be coupled with an interest in the Event Space. Client acknowledges and agrees that the Event Space may not be occupied by more than the number of guests set forth on Schedule 1. Client agrees to confirm with Elite the assigned Event Space before printing any materials or invitations listing the specific location of the Event. Client acknowledges and agrees that if Client does not reserve the entire Building, Elite may, in its sole discretion, book other events in the remaining event spaces within the Building.

2. Event Date and Event Time. The Event shall be held on the Event Date and Event Time set forth in Schedule 1. Within the Event Time, Client shall move-in, set-up, clean-up, and vacate the Event Space. Client, Client’s Caterer (hereinafter defined), and Client’s other independent contractors, contracted vendors, and service providers retained by Client to provide services for the Event (collectively, “Client’s Agents”) shall not have access to the Event Space at any time other than during the Event Time, unless Client receives prior written authorization from Elite, and shall vacate the Event Space and Building prior to the expiration of the Event Time. If Client and Client’s Agents have not vacated the Event Space and Building prior to the expiration of the Event Time, then additional fees may be imposed by Elite. Client acknowledges and agrees that rehearsal events are considered separate from the Event, and may be permitted by Elite based upon availability of the Event Space and the charging of an additional fee to Client. In the event the Event is to be located outside and there is forecasted inclement weather that will negatively impact the Event, Client will, at least 24 hours in advance of the Event, notify Elite where the Event will be moved to. Elite may charge an additional fee to Client if Client fails to notify Elite at least 24 hours in advance of Client’s desire to move the location of the Event due to the forecasted inclement weather.

3. Fees. Client shall pay to Elite the deposits, buy-outs and fees at the times and in the manner set forth on Schedule 1 (collectively with all other fees, buy-outs or deposits referenced herein, the “Fees”).

- Elite shall have no obligation under this Agreement until the portion of the “Hold Fee” due on the Effective Date (as such term is defined in Schedule 1) is paid in full.
- If Client fails to pay any of the Fees by the applicable due dates set forth in this Agreement, and such failure continues for five (5) business days after the applicable due date, Elite shall have the right to revoke the License and retain the full amount of the Hold Fee.
- All Fees shall be payable in cash, check, or major credit card.
- In addition to the Fees, Elite will require Client to complete a credit card authorization form in the form attached hereto as Schedule 2 (“Form Credit Authorization”) prior to the Event. The Form Credit Authorization holds the Client responsible to comply with the terms of this Agreement. Client acknowledges and agrees that the individual listed on the Form Credit Authorization is the responsible party for any damages, costs or liabilities resulting from the Event that occur at, on or to the Event Space or Building. Client further understands, acknowledges and agrees that the credit card listed on the
Form Credit Authorization shall be held and charged for any additional charges or fees related to the Event. This Section 3(d) shall survive the termination of the Agreement.

4. **Detailing Meeting.** Approximately six (6) weeks prior to the Event Date, Elite will contact Client to obtain details regarding the Event, including scheduling a thirty (30) minute “walk through” time with Client (“Detailing Meeting”). For all Events with over seventy-five (75) guests, a “day-of” meeting planner or wedding planner (as applicable) (“Planner”) is required to attend the Detailing Meeting and Event. The Planner must be licensed and insured. Elite will set up the Event Space in accordance with the parties’ discussion during the Detailing Meeting. If no such details or request are made to Elite, then Elite will set-up and design the Event Space as it deems fit and any changes thereto on the Event Date will incur a minimum charge of Three Hundred and 00/100 Dollars ($300.00). If additional time is needed in excess of the Detailing Meeting, then an additional fee may be imposed by Elite. Following the Detailing Meeting, Elite will send to Client an event order outlining the set-up and design of the Event Space and identifying any requests discussed in the Detailing Meeting (“Event Order”). The Event Order must be signed by Client or, if necessary, objected to, within twenty-four (24) hours of receipt. Client’s failure to object within twenty-four (24) hours of receipt of the Event Order shall be deemed acceptable to Client. Any changes to an Event Order after approval and/or execution by Client may result in additional fees being imposed by Elite.

5. **Client’s Caterer.** Client shall hire a licensed caterer (“Client’s Caterer”) to the extent any food is served at the Event, except as otherwise provided herein. Client or Client’s Caterer must clean the Event Space, kitchen, and all service areas within the Event Time, leaving it in the same condition and working order as before the Event. Client or Client’s Caterer must remove all trash, composting, and recyclables from the Event Space, kitchen, and service areas. Failure to remove or clean the Event Space, kitchen, and service areas will result in additional fees being charged to Client. Unless Client’s Caterer is a preferred vendor of Elite, Client shall pay to Elite the “Catering Buy-Out” set forth on Schedule 1. A list of preferred vendors can be obtained by Client from Elite. Notwithstanding the foregoing requirements, Client may serve restaurant, store-bought, or homemade food to the Event, and Client hereby indemnifies, releases and holds Elite harmless from all liability related to such food provided by Client. Further, in the event Client elects to bring in restaurant, store-bought or homemade food to the Event, Client shall sign a “Food Waiver” instrument at the Detailing Meeting, which, among other things, more fully documents Client’s release, indemnification and holding Elite harmless from all liability related to such food provided by Client. Preparation of and cooking food in the Event Space or Building is strictly prohibited, and will only be permitted with the express written consent of Elite or its facility manager. All food preparation and cooking must take place offsite or in the designated food preparation and cooking areas.

6. **Servers.** Client is required to hire servers for the Event. If Client is bringing in its own food, the Client is responsible to hire servers from a licensed and insured serving company. Servers must stay for the duration of the Event, and shall be responsible for cleaning tables, dishes and kitchen areas, taking out trash, and otherwise maintaining the Event Space throughout the Event.

7. **Sale of Alcoholic Beverages.** Client may bring its own alcoholic beverages into the Event Space, but such alcohol must be delivered to and served by Elite’s vendor. All alcohol must
be consumed within the Event Space and no such consumption shall occur within other portions of the Building. Elite has a “no shot” policy. If Client fails to comply with this policy or serves or otherwise consumes alcohol outside of the Event Space, then Client will shutdown all alcoholic services immediately and an administrative fee of at least Three Hundred and 00/100 Dollars ($300.00) will be charged to Client.

8. **Wireless and A/V Accessibility.** The Event Space audio-visual equipment may be rented by Client. Elite shall set up the audio-visual equipment in accordance with the Detailing Meeting.

9. **Facility Charge.** A “Facility Charge” equal to fifteen percent (15%) of the “Total License Fee” as such amounts are set forth in Schedule 1, will be charged to Client for Wi-Fi accessibility, audio-visual components, parking and Elite staff gratuity.

10. **Site Decoration.** Rearranging and moving furniture, artwork, lamps, seating, and other furnishings shall be performed solely by Elite’s employees in accordance with the Detailing Meeting. No nails, screws, staples, or penetrating items shall be used on walls, wood, or other fine surfaces. Client shall be permitted to decorate the Event Space provided that the Event Space and Building are not damaged and in accordance with this Agreement. All tape and gummed backing materials shall be properly removed by Client and any damage to walls, wood, or other fine surfaces shall be repaired by Elite and will result in additional fees being charged to Client.

11. **Conduct and Noise.** Client agrees to control the noise level during the Event such that it shall not create a disturbance to other events within the Building or to adjacent property owners. If Elite reasonably determines that the noise level is excessive, upon request by Elite, Client shall immediately reduce the decibel level to the satisfaction of Elite. Conduct deemed disorderly and/or noise levels deemed excessive, in the sole and absolute discretion of Elite, shall be grounds for immediate expulsion from the Event Space and the conclusion of the License. In such event, Client shall not be entitled to any refund of the Fees.

12. **Clean-Up.** Client shall leave the Event Space in neat and orderly fashion, free of debris, trash, decorations and other items brought in for the Event, and shall return the Event Space to the same or better condition as existed prior to Event. If Client fails to vacate the Event Space in the condition required by this Agreement, then Elite may assess a minimum cleanup fee of Three Hundred and 00/100 Dollars ($300.00) in addition to the remedies set forth in Section 3. Fifteen (15) minutes prior to the expiration of the Event Time, Elite and Client shall conduct a final walk-through to discuss issues found and document any damage occurring to the Event Space. Elite, at Client’s sole cost and expense, shall repair any damage caused by Client or Client’s Agents to the Event Space or Building. All damages to the Event Space or Building shall be charged to the individual listed on the Form Credit Authorization.

13. **Prohibited Activities.** Client agrees and acknowledges that Client, Client’s Agents and Client’s invitees shall comply with the rules, regulations and prohibitions set forth on Schedule 3 (“Rules and Regulations”). Elite reserves the right to update and modify the Rules and Regulations in its sole and absolute discretion and Client shall comply therewith.

14. **Compliance with Laws.** Client shall comply with, and shall cause Client’s Agents to comply with, all applicable laws and obtain any and all required permits and licenses necessary to use the Event Space. Client shall not, and shall not permit Client’s Agents to, use the Event Space in any manner that would violate local, state, or federal laws or regulations.

15. **Indemnification.** Client hereby agrees to indemnify, defend, and hold harmless Elite, its
officers, directors, employees, and agents, from any and all damages, liabilities, actions, suits, claims, costs (including reasonable attorneys' fees), penalties, or expenses arising out of or in connection with, in whole or in part, directly or indirectly: (a) use of the Event Space, the Common Areas, sidewalks, and other appurtenances to the Event Space or the Building by Client, Client’s Agents or any other invitee of the Event; or (b) any acts, errors, or omissions on the part of Client, its officers, directors, employees, or agents, including, without limitation, Client’s Agents, if any. This Section 15 shall survive termination of this Agreement.

16. Insurance. Event insurance is required for Client. Elite has partnered with an insurance company to provide Client with multiple insurance options at affordable rates. Any insurance policy purchased by Client must provide general liability insurance, event cancellation, and alcohol coverage (if applicable). If Client desires to provide its own insurance policy for the Event, all details regarding the proposed policy must be provided to Elite prior to the Detailing Meeting; if Client fails to provide the necessary information prior to the Detailing Meeting, then Elite may purchase an insurance policy for Client, and Client shall be responsible for all costs and fees associated therewith.

17. Permitted Use and Capacity. Client is authorized, pursuant to this Agreement, to use the Event Space for the Event and for no other purpose, unless Elite gives Client prior written authorization for additional permitted uses. Client shall not use the Event Space in any manner that may result in increased insurance premiums for Elite with respect to the Event Space or render such insurance void. Client acknowledges and agrees that the maximum capacity of the Event Space is set forth in Schedule 1 and Client shall not exceed such limit. Failure to comply with this Section 17 shall be a breach of this Agreement and permit Elite to revoke the License pursuant to Section 21.

18. Access and Right of Entry. Elite shall have the right to enter the Event Space at any time, without the consent of Client, for any reasonable purpose, including any emergency that may threaten damage to the Event Space, or injury to any person in or near the Event Space.

19. Cancellations. Client acknowledges and agrees that, except as expressly provided for in this Agreement, this Agreement is non-cancelable and the Fees shall be deemed immediately non-refundable to Client. If Client cancels the Event, Client shall remain liable for all Fees and other amounts due under this Agreement. Elite may, in its sole and absolute discretion, permit a one-time transfer of the Event to another date, time and/or space ("Replacement Event"), provided the Event is at least 120 days away from the notice to transfer, Client has paid all Fees and other amounts owing as of the date of such cancellation and/or notice to transfer, and the parties enter into a separate event agreement. If Elite elects to provide a Replacement Event, then: (i) Elite will credit such amounts paid by Client under this Agreement to the new event agreement and Client shall owe any amounts applicable to the Replacement Event in excess of the amounts already paid by Client; and (ii) an administrative fee of Two Hundred Fifty and 00/100 Dollars ($250.00) will be owed to Elite.

20. Force Majeure. Each party is excused from performance of this Agreement if such performance is prevented by Acts of God, war on United States' soil, disaster, strikes, civil disorders, terrorism, or curtailment of transportation facilities. Additionally, Elite is excused from performance and may terminate this Agreement if, for any reason, Elite ceases operation as an operating event center or encounters any emergency, casualty, or other cause making it inadvisable, illegal or impossible to provide the Event Space or hold the
Event. In the event Elite is unable, for reasons beyond its reasonable control, to make the Event Space available to Client on the Event Date for the purpose set forth in this Agreement, Client shall have the option of choosing an alternate date to hold the Event (the “Alternate Event Date”), at no extra charge to Client.

21. Revocation of License. In the event a Revocation Event (defined below) occurs, Elite shall have the right to revoke the License at any time prior to the Event Date. Elite’s right of revocation shall be limited to the following events (each, a “Revocation Event”): (a) nonpayment of Fees by the applicable due dates; (b) breach of this Agreement by Client; (c) the Event is of a nature that Elite finds subjectively inappropriate in its sole and absolute discretion; or (d) Elite changes the use of, no longer leases, or sells any portion of the Building or the underlying real property. If Elite revokes the Agreement pursuant to subsections (c) or (d) herein, Elite shall refund any portion of the Fees that have been paid to Elite. In all other events, Elite shall retain all amounts paid to Elite (including but not limited to the Hold Fee) as liquidated damages and not as a penalty, and may bring any claims available to it under law or equity.

22. Notices. All notices shall be in writing and shall be deemed to have been sufficiently given or served when delivered in person, sent by email or deposited in the United States mail by registered or certified mail, to the applicable addresses below:

Client acknowledges and agrees that Elite does not maintain insurance coverage for personal items.

24. Elite reserves the right to require security at any time when reviewing the nature of the Event. 27. Assignment; Amendment. This Agreement may not be assigned, designated or otherwise by Client without the prior written consent of Elite. In the event Elite modifies any policies listed in this Agreement, Elite shall promptly notify Client of the changes to policy and provide information on how the changes will impact Client and/or the Event.

28. Governing Law. This Agreement shall be construed in accordance with, and governed in all respects by, the laws of the State of California, without regard to conflicts of law principles.

29. Attorney Fees. 30. Counterparts. This Agreement may be executed in several counterparts, each of which shall constitute an original and all of which, when taken together, shall constitute one agreement.

31. Severability. If any one or more parts of this Agreement shall be held unenforceable for any reason by any court of competent jurisdiction, the remainder of this Agreement shall notwithstanding continue in full force and effect. If any provision of this Agreement is deemed invalid or unenforceable by any court of competent jurisdiction, and if limiting such provision would make the provision valid, then such provision shall be deemed to be construed as so limited.

32. Headings. The headings for each section herein are for convenience only and shall not affect the meaning of the provisions of this Agreement.

33. Capitalized Terms. Capitalized terms not defined herein shall have the meaning given them in the Schedules attached to this Agreement.

36. Acceptance. This Agreement must be executed by Client within twenty-four (24) hours of delivery by Elite in order to be effective. If not executed within twenty-four (24) hours, the Agreement and terms contained herein shall be null and void and of no force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

Revised 3/22/23
CONSULTING AGREEMENT

THIS CONSULTING AGREEMENT ("Agreement") is effective as of July 1, 2023 (the "Effective Date"), by and between Nightingale Dispute Consultants, Inc., A California Corporation DBA NIGHTINGALE RESOLUTIONS, a California corporation ("Nightingale") and Fresno Unified School District (hereafter, "Client").

RECITALS

A. Nightingale desires to make available to Client certain conflict resolution services, including, without limitation, certain assessment, consulting, facilitation, training and other related products and services (collectively, the "Services," which shall be further detailed as set forth in Appendix "A" attached hereto and incorporated herein).

B. Client wishes to engage Nightingale to provide the Services on the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the mutual promises, covenants and conditions contained herein, the parties agree as follows:

AGREEMENT

1. Services. Nightingale shall provide to Client the Services as set forth in Appendix "A" on a non-exclusive basis. Nightingale shall determine, in Nightingale's reasonable discretion, the manner and method by which Nightingale shall render the Services pursuant to this Agreement, but shall be required to provide the Services in good faith, with reasonable diligence, and otherwise in accordance with the terms and conditions of this Agreement. Nothing contained in this Agreement shall be deemed to create an employer-employee relationship or principal-agent relationship between Nightingale, on the one hand, and Client, on the other hand. Client will confer regularly with Nightingale as may be required by Nightingale regarding the progress and direction of the Services.

2. Fees & Payment.

(a) In consideration for the Services, Client shall pay to Nightingale the fees set forth in Appendix "A" ("Fees") on a monthly basis. Nightingale shall submit to Client a monthly invoice detailing the Services performed during the preceding month and the amount of Fees due to Nightingale. All such invoices shall be due and payable within thirty (30) calendar days.

(b) In addition, Client agrees to reimburse Nightingale for reasonable third party costs and expenses (each, an "Expense") incurred by Nightingale on behalf of Client in rendering the Services. Provided, however, that any such Expense, other than out-of-pocket planned travel, in excess of $500 must be pre-approved by Client as a condition to such reimbursement.
(c) Nightingale is entitled to a service/interest charge at the rate of ten percent (10%) per annum on all Fees and costs owed to Nightingale which remain unpaid more than sixty (60) days after the date of the billing statement.

(d) Client is obligated to pay Nightingale for all Fees and costs incurred. Payment of the Fees and costs are not contingent or in any way conditioned upon the outcome or results obtained by Nightingale for the Services provided.

3. **Term and Termination.** This Agreement shall be effective as of the Effective Date and shall continue in effect until September 30, 2024, unless earlier terminated (i) by the mutual agreement of the parties, or (ii) by either party in the event the other party is in breach of any provision of this Agreement, which breach, if curable, is not cured in all respects within thirty (30) days' after written notice of the breach is given by the non-breaching party to the party in breach.

4. **Limitation of Liability.** In no event shall Nightingale be liable to Client for any claim that the Services failed to prevent any conflict or dispute related to Client, its business or employees. It is impossible and unethical for Nightingale to guarantee the outcome or anticipated results of the Services. In no event shall Nightingale be liable for any damages resulting from the Services, including, without limitation, any punitive, special, incidental or consequential damages. Client shall indemnify, defend and hold Nightingale harmless for all claims (including claims made by employees of Client) occurring during the term of this Agreement or during Nightingale’s performance of the Services hereunder, unless caused solely due to the fraud or willful misconduct of Nightingale.

5. **Recitals and Appendix.** The Recitals (above) and the Appendix to this Agreement attached hereto are incorporated herein by reference.

6. **Amendment.** This Agreement may be amended only by an agreement in writing signed by the parties hereto.

7. **Governing Law.** This Agreement shall be governed by and construed in accordance with the internal laws of the State of California without regard to conflict of law principles.

8. **Attorneys’ Fees.** In the event of any litigation arising from or related to this Agreement, or the Services provided under this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable costs incurred including court costs, attorneys’ fees, and all other related expenses incurred in such litigation. In the event of a no-adjudicative settlement of litigation between the parties or a resolution of a dispute by arbitration, the term “prevailing party” shall be determined by that process.

9. **No Assignment.** Neither party may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other party.

10. **Benefit.** This Agreement shall be binding upon, inure to the benefit of and be enforceable by and against the parties and their respective successors and permitted assigns.

11. **Notices.** Any notices required or permitted hereunder shall be in writing and given by personal delivery, reputable overnight courier service, or United States mail, registered, express or certified with return receipt requested and postage prepaid. Such notices shall be deemed effective
three (3) business days after mailing, on the date of delivery if delivered personally, or the next business day after deposit with a reputable overnight courier, addressed as follows:

All requests for a change to the project are subject to multiple layers of review and evaluation, by both the project team (designer, contractor, DSA inspector, project manager) and district management. Final approval for modification to the contract, resulting in a change order, is by the district. Each item in a change order is the result of one of the following: district request; unknown, unforeseen, or hidden condition; designer error/omission; or regulatory requirement. Change order costs are tracked by item and responsibility identified. Change orders can also include credits to the district. A Project Financial Summary is attached to each change order in the backup material.

FINANCIAL SUMMARY: Sufficient funds in the amount of $83,521 are available in the Measure M budget for Bids 21-41 and 23-02.
